13 In light of the Final Decisions issued by the Board, the potential for Bosch to appeal one
 14 or more of those Decisions, and Bosch's pending motions to terminate in the two IPRs currently
 15 before the Board (IPR2014-00488 and IPR2014-00607), the parties do not believe the Case
 16 Management Conference, scheduled for February 19, 2015, will be necessary at this time and
 17 Bosch will not seek to lift the stay in place in this litigation until the PTAB's conclusion of the
 18 two pending IPRs. Therefore, the parties respectfully request that the Court take the Case
 19 Management Conference off the calendar and allow the parties to file another supplemental
 20 status report with the Court within fourteen (14) days of the conclusion of the two IPRs currently
 21 pending before the Board and, in that report, the parties can set forth their position with respect
 22 to the stay.
